What is “LEADER IN ME” ...

A leadership culture that actively engages students in their own learning; even the youngest students set goals and track progress. All students become active participants in the direction of the school and many of the decisions that are made. The 7 Habits are the foundation of leadership culture.

Habit 1: Be Proactive - You're in Charge

Habit 2: Begin with the End in Mind - Have a Plan

Habit 3: Put First Things First - Work First, Then Play

Habit 4: Think Win-Win - Everyone Can Win

Habit 5: See First to Understand, Then to be Understood - Listen Before You Talk

Habit 6: Synergize - Together is Better

Habit 7: Sharpen the Saw - Balance Feels Best

This culture reinforces every member's capabilities. It encourages exploration, inquiry, technology infusion, project-based learning and experimentation within a safe, secure environment. One of the foundational principals of this culture is for members to find their voice (their unique gifts and talents), and to help others find theirs. Once students find their voice, they are inspired and motivated to do the right thing.

“WE FIRST MAKE OUR HABITS, AND THEN OUR HABITS MAKE US”. - STEPHEN R. COVEY, LEADER IN ME FOUNDER

Where the MONEY GOES ...

\$100 = 250 STUDENT BRAG TAGS

Brag tags are given to students throughout the school year to acknowledge various accomplishments. The kids love getting these! Examples include “reaching a goal”, “A honor roll”, “mastering a habit”, etc.

\$250 = 25 STUDENT WORKBOOKS

Each student received a workbook at the beginning of the school year and is able to set goals and track progress while working on learning the habits needed to be a leader in the future.

\$500 = 1 CLASSROOM TEACHERS MATERIALS COST

Each teacher receives classroom materials at the beginning of the school year to implement “Leader In Me” in their classroom. These key resources allow the teachers to provide students with tools they need to become leaders in the future.

\$1000 = LEADER IN ME SYMPOSIUM COST FOR 1 TEACHER

Teachers are sent to training symposiums to learn curriculums and techniques to incorporate in the classroom.

“WE ONLY GET ONE CHANCE TO PREPARE CHILDREN FOR A WORLD NONE OF US CAN POSSIBLY PREDICT, WHAT ARE WE GOING TO DO WITH THAT ONE CHANCE?”
